Contingent Charges of the Bench Courts

From

The Comptroller

~~ADA~~ No. 279 Dated 10.8.26 Received 12.8.26

Diary No. 741	Enclos.	Spare Copies.	Serial No. 1

BRIEF ABSTRACT OF LETTER.

States that the procedure of sanctioning a permanent advance of Rs 3/- to each Bench court and recouping the same on D.C. Bills countersigned by the Dist. laid down in Fo no P 574-54/Cs. 217-25-1331. 7-1926 entails much unnecessary labour in regard to the maintenance of accounts of permanent advance in his office without any corresponding benefit and suggests that a fixed contingent grant may be sanctioned for each court according to its necessity in which case no permanent advance is necessary

NOTES AND ORDERS.

The proposal of the Comptroller may perhaps be accepted as it is simpler. It has got the other advantage viz that the account unspent may be carried on to the next year. The requirements are limited and almost fixed. A lump amount for all the Bench court in a dist may perhaps be kept at the disposal of the D.C. who will sanction each item of expenditure.

2) At present a uniform contingent allotment has not been made. Some Courts have been sanctioned a contingent expenditure of Rs 5/- p.m. Eg. Kalasa Bench Court, Nileshwar Bench Court and Mysore City Bench Court. Some others have been sanctioned a sum of Rs 3/- p.m. Eg. Bench Courts in the Taluk Kolar DCs. In some other DCs viz Kodagu, the Bench Courts have been given a contingent allotment of Rs 2/- per Court. The total contingent charges that have been sanctioned comes to Rs 2244/- per annum. (Vide Statement put up Flag V).

3) Opportunity may perhaps be taken to reduce the contingent amounts that have been sanctioned to these Bench Courts and a uniform allotment of Rs 2/- per Court may perhaps be given, exception being made in the case of the Bench Courts in the 2 cities which may be continued to be given the same allotment of Rs 60/- p.annum as is being done now. This amount may be placed at the disposal of the respective D.Cs who may sanction each item of expenditure and vary the expenditure on the Courts as necessities arise within the amount allotted for the Dt. If this view is accepted, the amount that will be required is Rs 1704/- per annum. (for details Vide Statement Flag VI).

4) The Hi: Lists may be revised cancelled

5) It will be seen from page 5 of the office notes in C5 file 46-26-1 portup that the proposal to sanction a permanent advance of Rs. 3/- each Bench Court had the concurrence of the Fin' Secy.

Apr 12/28

6) It was the Chief Court which suggested a permanent advance, to avoid certain inconveniences. The Financial Secy was for a sub-imprest of Rs 25/- from the imprest of the Dist Magistrate. There were the only two proposals & after considering the advantages & disadvantages of both the proposals, the former was adopted by Govt & orders issued. The Comptroller now proposes a third alternative.

The advantage is that it will dispense with maintaining of accounts & the amount may even be reduced in most cases. There is however, the same objection that the whole amount will be or maybe spent without the magistrates having to account for it. In the present method, there is at least the safeguard of a detailed Contingency Bill being sent up. The magistrate will have to sign a false bill, ~~to~~ if the amount is to be misappropriated that is itself a check.

1) Submit orders whether the orders passed recently may be superseded & the proposal of the Comptroller adopted. The Fin' Secy may be consulted & if necessary the Dist magistrates may be asked to state

10) The Comptroller's proposal is aimed at saving of ~~unnecessary~~ simplifying work. The amount involved is small. The District Magistrates may be consulted as regards the fixing of the contract grant. Some items of contingent expenditure have necessarily to be incurred, and there is not much scope for misappropriation. An accurate contingent expenditure even under the contract grant system has to be maintained in each Court. This may be inspected by inspecting officers.

11) Unless the proposal results in leniency of expenditure & reduction of grant, there is apparently no reason for the change in the system

Letter No.J.1.158/26-27 dated 27th November 1926 from the District Magistrate, Shimoga District, to the Secretary to Government L & L Departments, through the Registrar, Chief Court, Bangalore.

With reference to your letter No. p.1462-9 (1)/Cts 46-26-2 dated 24th September 1926 calling for a report through the Registrar, Chief Court, Bangalore, in the matter of the suggestion of the comptroller for doing away with the system of granting separate permanent advances to the Honarary Bench Courts as per. G.O. No.P.544-54/Cts 217-25-13 dated 31st July 1926, I have the honour to state that the allotment sanctioned for the Bench Court at Shimoga is Rs 3/- per month and that sanctioned for each of the other taluk Bench Courts is Rs 2/- per month out of this sum they will have to purchase all the country stationery articles, service postage labels etc., The present allotment does not admit of any further curtailment. None of the Taluk Bench Courts has its own establsihment except the Bench Court at Shimoga. In case the proceedure prescribed in the G.O. referred to above is found to be unsuited by the comptroller the only way to get out the difficulty could be to allow the Bench of Magistrates to draw the fixed grant on the establishment bills, holding responsible the chairman of the Bench Court for the time being for the amount drawn during his chairmanship.

SIR,

The Registrar of the Chief Court of Mysore,
Bangalore.

Sir,

Fixed contract contingent grants to Bench Courts.

With reference to your letter No. P. 1262-9/cts 46-26-2 dated the 24th September 1926, calling for my opinion in the matter of granting a fixed sum to each Bench Court in the State as contract contingent charges, I have the honour to state that the fixed contract system recommended by the Comptroller, though not likely to result in any appreciable savings, is sure to minimise much unnecessary labour involved in the preparation, counter signature, and audit of abstract and detailed contingent bills, and save much time and correspondence as well.

2. I am therefore of opinion that the suggestion of the comptroller may be adopted with advantage, the grant being fixed at Rs 3/- per mensem in the case of courts having heavy work, and Rs 2/- in the case of courts with light work and at Re 1/- in the case of courts with very light work.

3. The court at Chikmagalur which has II class powers and where the work is heavier than in other courts, may be granted Rs 3/- per mensem, as heretofore, and of the remaining six courts (noted in the margin) the one

SIR,

With reference to your letter No:P.1462-9/Cts.46-26-2 dated 24th September 1926, requesting to report through the Chief Court whether the fixed contract contingent grant system, advocated by the Comptroller, in his No:T.A.D.A.279 dated 10th August 1926, (copy enclosed for ready reference) would result in savings and would otherwise be beneficial, I have the honor to state that at present the Chief Court is alloting a fixed grant of Rs 2/- per month to every Bench Court for contingent charges in this district. This amount is barely sufficient to meet the actual contingent expenditure of each Court. No savings can therefore be effected by cutting down the existing contingent grant. With a view, however, to minimise clerical work, I am in favour of accepting the Comptroller's suggestion and allow each Bench Court a fixed contract contingent grant of rupees two per month.

I have the honor to invite kind reference to Government Order No:P.544-54/Cts.217-25-13 dated 31-7-1926 sanctioning a permanent advance of rupees three to each Bench Court and stating that it should be recouped by Detailed contingent bills counter-signed by the District Magistrate.

This procedure, I wish to submit entails much unnecessary labour in this office in regard to the maintenance of accounts of permanent advance without any corresponding benefit to Government. In almost all such cases, it is known by experience that almost the entire amount is drawn and some plausible items of expenditure which no one can verify - working up to the limit imposed by Government, furnished.

I would therefore suggest for the consideration of Government that the grant may be treated as a fixed contract contingent grant in which case no permanent advance would be necessary. If Government consider it fit to do so, the amount may be reduced for the lighter Courts and two rates fixed one for the heavy courts and the other for lighter Courts.

CHIEF COURT 23 OCT. 1926 OF MYSORE.

Sir,

Adverting to letter No. P.1462-9(1)cts 46-26-2 dated the 24th September 1926 from the Secretary to Government, Local and Legislative Departments, (copy enclosed) calling for certain information on the suggestion of the Comptroller to Government, to the grant of a fixed contract contingent grant to the several Bench Courts instead of a permanent advance sanctioned in Government Order No. P.544-54/cts 217-25-15 dated 31st July 1926, I have the honor to state that the system suggested by the Comptroller is preferable to that of granting a permanent advance to the Bench Courts as the Chairmen of the Courts are not generally familiar with the account rules.

2. The Bench Courts* of this District have now been allowed to incur an expenditure not exceeding Rs.2/- per mensem on account of contingent charges. Almost all articles of stationery are obtained from the Government Stationery Depot and supplied to them. Only country articles such as tablak thread, gum, sealing ink etc are purchased locally. The volume of work in the Bench Court at Tumkur may be considered as heavy and the fixed contingent grant of Rs.2/- per mensem may be continued to this Court. The grant pertaining to the remaining seven moffusil courts may be reduced by 50%. By cutting down the grants as now proposed, an annual

Sir,

With reference to Local and Legislative Secretary's letter No. P.1462-9 Cts.46-26-2 dated 24th September 1926, I have the honour to note in the margin the amount of Contract Contingent Charges for the several Bench Courts of the District based on the actual expenditure during the past two years and to state that if contract contingencies are sanctioned an additional sum of Rs. 30 is necessary at the disposal of the District Magistrate for supplying books of reference, clocks and such other charges as such expenditure cannot be met from contract Contingencies.

Sir,

Adverting to your letter No. P. 1462-9(1)/Cts. 46-26-2 dated the 24th ultimo enquiring if the fixed contract contingent grant to Bench Courts would be beneficial etc., I have the honor to state that the fixed contract grant system will not only result in saving unnecessary labour as advocated by the Comtroller in his office but it will also save labour in District offices.

The allotment now granted to the Bench Court in District Head Quarters is Rs 36/- per mensem and for the 5 moffusil Courts Rs 24/- each per mensem in this District. The Alur and Belur Courts being light Courts the allotment may be reduced by Rs 6/- and fixed at Rs 18/- for each of these courts. The allotment of the remaining 4 (Hassan, Chennarayapatna, Arsikere and Arkalgud) Courts does not admit of curtailment. This arrangement will result in a savings of Rs 12/- per mensem.

As at present a sum of Rs 3 a month or Rs 36 per annum for the Bench Court at Chitaldrug and a sum of Rs 2 a month or Rs 24 per annum for each of the other Bench courts in the District may be fixed as contract contingent grant resulting in an annual expenditure of Rs 228.

Registrar, Chief Court of Mysore. Bangalore

with the system of granting separate
permanent advances to the Honorary
Bench Courts as per G.O. No P 544-54
Cts. 217-25-13 dated 31st July 1926,
I have the honor to state that the

allotment sanctioned for the Bench Court at Shimoga is Rs 3/- per month and that sanctioned for ~~the~~ each of the other Taluk Bench Courts is Rs 2/- per month. Out of this sum they will have to purchase all the Country stationery articles - Service Postage labels etc. The present allotment does not admit of any further curtailment. None of the Taluk Bench Courts has its own establishment except the Bench Court at Shimoga. In case the procedure prescribed in the Government order referred to above is found pursued by the Comptroller - the only way to get over the difficulty would be to allow the Bench of Magistrates to draw the fixed grant on the Establishment Bills holding responsible the Chairman of

of the Bench Court for the time being
for the amount drawn during his
chairmanship.
